

Workday Financial Management Surpasses 100-Customer Milestone

Medium- and Large-Sized Organizations See Benefits of Running Financials in Workday Cloud

PLEASANTON, CA--(Marketwired - Sep 25, 2014) - [Workday, Inc.](#) (NYSE: WDAY), a leader in enterprise cloud applications for [finance](#) and [human resources](#), today announced that more than 100 organizations have selected Workday Financial Management, including [Brown University](#), [Netflix](#), [ServiceSource](#), [Shelter Insurance](#), and [Unum](#).

"With each release of Workday Financial Management, we increase the breadth, depth, and industry-specific functionality to meet the needs of large, global organizations," said Aneel Bhusri, co-founder and CEO, Workday. "As we now expand our Workday Financial Management community beyond 100 customers, we continue our commitment to delivering an unmatched customer experience to help them build their businesses for the future."

With a constant focus on the needs of customers, Workday regularly delivers new features and tools like [Composite Reporting](#), allowing companies to maximize value from their existing investment in Workday Financial Management. With analytics and real-time reporting capabilities, Workday is attracting new customers who will benefit from the ability to run complex financial and operational reports and unify financial and HR data across their organizations.

Understanding that every organization has unique needs and reporting requirements, Workday is focused on developing features and functionality that support the needs of medium- and large-sized organizations. In addition to Fortune 500 customer wins like Unum, Workday is seeing ongoing customer adoption across industries including education and government; financial and business services; and software and Internet services.

As the company's Workday Financial Management community continues to grow, Workday partners, including [Accenture](#), [Appirio](#), [Deloitte](#), [IBM](#), [KPMG](#), and [PwC](#), are also making investments in new practices and dedicated resources that support increasing demand for Workday Financial Management.
