

Adaptive Insights, a Workday Company, Named a Leader in Gartner Magic Quadrant for Cloud Financial Planning and Analysis Solutions

**Positioned as a Leader for the Third Consecutive Year Based on Completeness of Vision and Ability to Execute**

PLEASANTON, Calif., Aug. 14, 2019 (GLOBE NEWSWIRE) -- [Workday, Inc.](#) (NASDAQ: [WDAY](#)), a leader in enterprise cloud applications for [finance](#) and [human resources](#), today announced that Adaptive Insights, a Workday company, has been positioned by Gartner, Inc. in the Leaders quadrant of the [2019 Magic Quadrant for Cloud Financial Planning and Analysis Solutions](#)<sup>1</sup> for its Adaptive Insights Business Planning Cloud. This is the third year in a row that Adaptive Insights has been acknowledged as a Leader.

Businesses of all sizes – and across all industries – must operate more quickly and with more agility than ever before. To achieve this, more than 4,350 organizations have selected Adaptive Insights for a continuous, comprehensive, and collaborative approach to business planning, empowering them to make more informed decisions in less time.

Workday acquired Adaptive Insights in 2018 to complement its products including Workday Financial Management and Workday Human Capital Management, and to enable customers to plan, execute, and analyze across the enterprise all in one system powered by machine learning. With this vision, and to better serve joint customers, Adaptive Insights is unifying with the Workday suite of applications as part of the [Power of One](#) – one source for data, one security model, one user experience, and one Workday community.

Additionally, in the last year, Adaptive Insights has expanded its operational planning capabilities to include workforce planning, enhanced its [Elastic Hypercube Technology](#) for large and complex business models, and has invested in adding breakthrough anomaly detection capabilities which will enable customers to catch potential errors in budgets, forecasts, scenarios, and other models. These milestones equally benefit Workday and non-Workday customers as Adaptive Insights continues to tighten integrations with third-party platforms to remain the best-in-class business planning solution for any organization whether they use Workday or not.

**Comment on the News:**

“We believe that Gartner’s recognition of Adaptive Insights as a Leader in cloud financial planning and analysis solutions for the third consecutive year demonstrates the strategic value of a business planning platform that is powerful, collaborative, and in a single system,” said Tom Bogan, CEO, Adaptive Insights. “Finance teams are taking a more influential role in leading digital transformation in their organizations, and business planning is a cornerstone of that change. With Adaptive Insights, customers have the business agility they need plan for the future and compete in today’s rapidly changing business environment.”
