

## Workday Sees Continued Momentum Across Healthcare, Driven By Demand for Solutions to Advance the Future of Health

*Mid-Sized Healthcare Organizations Including Hebrew SeniorLife, Mary Free Bed Rehabilitation Hospital, Reid Health, Sea Mar Community Health, and More Select Workday to Achieve Rapid Time to Value*

PLEASANTON, Calif., Sept. 5, 2024 /PRNewswire/ -- [Workday, Inc.](#) (NASDAQ: WDAY), a leading provider of solutions to help organizations manage their [people](#) and [money](#), today announced continued momentum within the healthcare industry in Q2. Leading mid-sized organizations across the continuum of care including Columbine Health, The Center for Disability Services, GoHealth Urgent Care, Hebrew SeniorLife, Inc., Mary Free Bed Rehabilitation Hospital, Mercy Medical Center, Phelps Health, Reid Health, Sea Mar Community Health, SouthEast Alaska Regional Health Consortium, Waverly Health Center, and more are selecting and deploying Workday solutions for healthcare to simplify business processes, attract and retain talent, and scale access to care.

"Healthcare providers are facing incredible challenges: supply chain issues, staffing shortages, and the growing need to provide truly patient-centered care. To meet these challenges, they urgently need to update their data and technology systems," said John Kravitz, vice president and head of healthcare at Workday. "By bringing together HR, payroll, finance, and supply chain data, Workday helps healthcare organizations make smarter choices, adapt quickly, and focus their energy on what truly matters: providing excellent healthcare."

Workday helps healthcare organizations overcome outdated technology to improve efficiency, lower costs, and focus on delivering quality care. In Q2, health systems, ambulatory practices, and post-acute facilities continued to select and deploy Workday to drive savings, improve clinician experiences, and boost supply chain resilience:

- **The Center for Disability Services, Hebrew SeniorLife, Inc., Mary Free Bed Rehabilitation Hospital, Reid Health, Sea Mar Community Health, and Waverly Health Center** selected [Workday Financial Management](#), [Workday Human Capital Management \(HCM\)](#), and [Workday Supply Chain Management \(SCM\)](#).
- **Columbine Health and GoHealth Urgent Care** selected Workday Financial Management and Workday HCM.
- **Mercy Medical Center, Phelps Health, and SouthEast Alaska Regional Health Consortium** deployed Workday Financial Management, Workday HCM, and Workday SCM.

"Workday is enabling us to consolidate and optimize the daily workflow our management team and staff experience through a one stop shop for HR, finance, and supply chain operations," said Jeff Cash, senior vice president and chief information officer, Mercy Medical Center. "With Workday, we can efficiently adapt our business processes to the ever-changing healthcare environment and continue to deliver *The Mercy Touch* to our workforce and patients."

With AI embedded into the core of the Workday platform, Workday helps healthcare organizations – regardless of size – transform their business. The Workday platform is simple to deploy and provides a comprehensive view across finance, workforce, operations, and supply chain data, enabling healthcare organizations to scale and improve patient and employee experiences.

### Forward-Looking Statements

This press release contains forward-looking statements including, among other things, statements regarding Workday's full-year and second quarter fiscal 2025 subscription revenue and non-GAAP operating margin, growth, demand, strategy, and investments. These forward-looking statements are based only on currently available information and our current beliefs,

expectations, and assumptions. Because forward-looking statements relate to the future, they are subject to risks, uncertainties, assumptions, and changes in circumstances that are difficult to predict and many of which are outside of our control. If the risks materialize, assumptions prove incorrect, or we experience unexpected changes in circumstances, actual results could differ materially from the results implied by these forward-looking statements, and therefore you should not rely on any forward-looking statements. Risks include, but are not limited to: (i) breaches in our security measures or those of our third-party providers, unauthorized access to our customers' or other users' personal data, or disruptions in our data center or computing infrastructure operations; (ii) service outages, delays in the deployment of our applications, and the failure of our applications to perform properly; (iii) privacy concerns and evolving domestic or foreign laws and regulations; (iv) the impact of continuing global economic and geopolitical volatility on our business, as well as on our customers, prospects, partners, and service providers; (v) any loss of key employees or the inability to attract, train, and retain highly skilled employees; (vi) competitive factors, including pricing pressures, industry consolidation, entry of new competitors and new applications, advancements in technology, and marketing initiatives by our competitors; (vii) our reliance on our network of partners to drive additional growth of our revenues; (viii) the regulatory, economic, and political risks associated with our domestic and international operations; (ix) adoption of our applications and services by customers and individuals, including any new features, enhancements, and modifications, as well as our customers' and users' satisfaction with the deployment, training, and support services they receive; (x) the regulatory risks related to new and evolving technologies such as AI and our ability to realize a return on our development efforts; (xi) our ability to realize the expected business or financial benefits of any acquisitions of or investments in companies, (xii) delays or reductions in information technology spending; and (xiii) changes in sales, which may not be immediately reflected in our results due to our subscription model. Further information on these and additional risks that could affect Workday's results is included in our filings with the Securities and Exchange Commission ("SEC"), including our most recent report on Form 10-Q or Form 10-K and other reports that we have filed and will file with the SEC from time to time, which could cause actual results to vary from expectations. Workday assumes no obligation to, and does not currently intend to, update any such forward-looking statements after the date of this release, except as required by law.

Any unreleased services, features, or functions referenced in this document, our website, or other press releases or public statements that are not currently available are subject to change at Workday's discretion and may not be delivered as planned or at all. Customers who purchase Workday services should make their purchase decisions based upon services, features, and functions that are currently available.
