

## Workday Named a Leader in 2024 Gartner® Magic Quadrant™ for Cloud HCM Suites for 1,000+ Employee Enterprises for Ninth Consecutive Year

PLEASANTON, Calif., Oct. 28, 2024 /PRNewswire/ -- [Workday, Inc.](#) (NASDAQ: WDAY), a leading provider of solutions to help organizations manage their [people](#) and [money](#), has again been named a Leader in the [Gartner Magic Quadrant for Cloud HCM Suites for 1,000+ Employee Enterprises](#) for the ninth consecutive year. Workday was also positioned highest for Ability to Execute. A complimentary copy of the report is available [here](#).

Workday remains at the forefront of HR transformation with innovative solutions powered by [Workday Illuminate™](#), the next generation of Workday AI. Built on the world's largest and cleanest HR and finance dataset, Illuminate accelerates common tasks, delivers AI assistance in the flow of work, and transforms business processes with AI orchestration. More than 5,525 organizations including Asda, FedEx, Hewlett Packard Enterprise, Korean Air, P.F. Chang's, Saab AB, and Sumitomo Drive Technologies EMEA use [Workday Human Capital Management \(HCM\)](#) to manage their workforce, grow and develop talent, and deliver engaging and personalized employee experiences.

"For us, being recognized as a Leader for the ninth year in a row is an acknowledgment of our relentless focus on delivering innovative solutions that empower HR teams to navigate the complexities of recruiting, payroll, learning, talent optimization, workforce management, and more," said Aashna Kircher, group general manager for the office of the CHRO, Workday. "With Workday Illuminate and the growth of our partner ecosystem, we are further enabling our customers to streamline operations and deliver more connected and engaging employee experiences."

With the Workday suite of HR solutions, organizations can:

- **Transform how work gets done with AI.** With [Illuminate](#), the next generation of Workday AI powered by the world's largest HR and finance dataset, customers can accelerate manual tasks like content creation and summarization, receive real-time [AI assistance](#) in their workflows, and transform entire business processes with [AI orchestration](#). By anticipating and streamlining common business processes, Illuminate enables HR teams to focus on more strategic and meaningful work, driving productivity gains and cost savings for organizations.
- **Adopt a total workforce strategy to build a more resilient, agile organization** Workday empowers organizations to develop a holistic approach to workforce management by providing tools to easily source, manage, and analyze all workers – full time, part time, and contingent workers like freelancers or contractors. [Workday VNDLY](#) integrates seamlessly with Workday HCM, streamlining processes from onboarding and offboarding to ensuring security protocols are applied consistently across all worker types. Whether organizations are looking to grow, flex, or hire, Workday facilitates skills-based talent strategies to drive agility and provide employees with growth opportunities using gigs, learning, and internal mobility.
- **Leverage the Workday platform to scale innovation.** Workday empowers organizations to configure their solutions and work with partners to meet industry-specific needs and tackle their unique business challenges. Recent partnerships with [Equifax](#), [Kainos](#), and [Salesforce](#), and the global availability of [Workday Payroll provided by Strada](#), demonstrate how partners and customers are extending the Workday platform to get even more value from their Workday investments. Whether through collaborative programs like [Built on Workday](#) or platform innovations like [Workday Extend](#), Workday continues to offer the flexibility and adaptability that modern businesses require.
